

# simplifying IT

## technoSecure Advantages

### ACCOMODATION

We provide complete food & accommodation during training and extended stay after completion of training.

### PERSONAL TRAINING

We provide personal on-site training with industry well known veterans.

### ASSIGNMENTS, QUIZES, PROJECTS

Right from the first class to the last class we try to access the learner with our daily assignments, quiz hours after the class and weekly projects.

### LAB & INFRASTRUCTURE

Our state-of-art lab facilities can be used by all the students throughout the training period and we also provide extended access after the completion of training.

## INFORMATION TECHNOLOGY TRAINING SOLUTIONS FOR YOUR BUSINESS

At technoSecure, we innovate, imagine, exceed expectations and roll up all our sleeves to generate concrete results. Our culture is made up of responsiveness, collaboration, a willingness to see the world from your organizations perspective and passion to deliver value and quality in training solutions. Through our full range of training services and our strategic approach, technoSecure enables clients to build more value into their IT Investments and drive their leadership in the marketplace.

Our state-of-art labs and training facilities are designed to provide the best environments in industry. Our research team constantly works on developing better and new features for our customers and our learners to understand and learn better. Our mission is to provide distinctive quality and unparalleled services as we strive to gain the respect and trust of our customers.
